13.00 Presentations of different countries fire and rescue services representatives

Each representative prepares a short presentation (15-25 min) on a fire and rescue related subject that they find useful to share. It can be/include for example:

- Information about the organisation you work
- Basic information how the countries fire and rescue sector is organised
- Rescue/fire case that has some lessons to learned from or is otherwise interesting
- Special capacity or equipment that you have or are planning to have, or experiences related to such
- Sharing knowledge/ideas on a topic that you or your organisation has special knowledge (etc. new extinguishing methods/tactics or whatever)

It is good to coordinate between country representatives what topics you are planning to cover.
